

# Hey Hey Hey

Honkin' horns, busy streets, sweatin' in the summer heat  
Old people holding hands, jelly beans and rubber bands  
Straw hats, kitty cats, 21 blackjack  
Spring days, ballet, watching little kids play  
Fast cars, shooting stars, Jimi Hendrix on guitar  
Fine wine, hoola hoops, ice cream and big scoops  
Airplanes, leap frog, pretty girls, scruffy dogs  
And the world goes round

Hey Hey Hey

It oughta be that way

Hey Hey Hey

It oughta be that way

Hey Hey Hey

It oughta be that way

Hey Hey Hey

It oughta be that way

Postmen, crazy wigs, wedding bells, pyramids  
Soft hands, cafes, movie stars and summer days  
Sailing ships, James Dean, Hip hop, faded jeans  
and the world goes round

Hey Hey Hey

It oughta be that way

Hey Hey Hey

It oughta be that way

Hey Hey Hey

It oughta be that way

Hey Hey Hey

It oughta be that way
